

TITLEIST ASSET MANAGEMENT ANNOUNCES MERGER EXPANSION INTO NEW YORK

New York, NY - Titleist Asset Management, Ltd. expanded into the Northeast in early August by merging with long established firm, Ensemble Financial, Inc., a Manhattan-based Registered Investment Advisor. Franck Cushner CFP® will oversee operations in the New York market in his role as Director for Titleist Asset Management. Cushner founded Ensemble Financial, Inc. in 2003 where he served as President and Portfolio Manager.

Expansion plans include an aggressive development for Titleist's New York-based operations including reach, capabilities, and client-base with Cushner at the helm. "Titleist is very excited about our new partnership with Franck. He brings a lot of passion and knowledge to the firm and is doing an incredible job growing our presence in the NY area. We're gaining a lot of traction since we opened our Manhattan office and know Franck will fill an important role towards executing our long-term strategy," states Managing Partner at Titleist, J.B. O'Banion.

Cushner brings over 20 years of experience providing planning and customized portfolio management services to individuals, institutions and company retirement plans and looks forward to continuing Titleist's growth trend and client-centric approach. "Joining Titleist provides a tremendous opportunity to secure a competitive advantage in this industry. The decision to merge the firm I founded and nurtured for over 14 years with Titleist was not a decision I took lightly. Given the additional growth opportunities for my practice and the benefits for my clients, I knew it was the right choice," states Cushner.
